SchOol and Family Together for the Integration of Immigrant Children: the project

SOFT is a European project that aims to facilitate the social and school integration of immigrant children through language learning activities.

Immigrant and native children attending the same school will learn languages together and teachers will collaborate with immigrant and native families.

40 schools, 80 teachers and 800 children from 5 different countries (United Kingdom, Germany, Italy, Spain and Switzerland) will participate in the project for three years, from December 2012 to November 2015.
